RIVER AND STEAMBOAT NEWS.

The river is rising again at this point, with

the water in the canal. There was a

heavy rain in the latitude yesterday morning,

with indications of more.

At Pittsburgh on Monday the river was

falling, with 33 inches water in the channel.

We learn from St. Louis that the Carle

steamer, which was on the river, was

below St. Charles, on the Missouri river. She

was bound to St. Louis from Brunswick with

a valuable cargo of hemp, bale, and other

products of that section. The carrier was owned

by Messrs. Henry and Edward McPherson, of St.

Louis. She was a very serviceable boat, although

she was becoming old. She is said to be

probably a total loss. Some of the cargo will

be saved.

The new steamer Major Anderson is

the mail and passenger carrier for Cincinnati

at noon to day.

The popular steamer Hattie Gilmore, Capt.

T. Gilmore, will leave for Evansville at the usual

hour this afternoon.

The John Gault, Capt. Bance, is the regular

packet for Cairo at 4 o'clock this afternoon.

The faithful Diligent, Capt. Cobb, will leave

for Troy at 3 o'clock this afternoon.

The Memphis Valley, lately sold, has been

succeeded by the Memphis, which is expected

to arrive at Memphis on Thursday.

There is but two feet water in the Arkansas

at this point.

On Saturday the steamer Reliance, from Cin

cinnati, arrived at this point, in three feet and

half of water opposite Steubenville. She had

been aground, and the Alabama, after working

for some time to get off, succeeded, but then lost

control of her, and she struck upon a rock, break

ing in two and went down. Most of the cargo, con

sisting of a large quantity of flour, wheat, oil,

oil, was recovered, but some of it in a damaged

condition.

Horses and mules wanted by J. H. Dennis,

corner of Twelfth and Main streets. See adver

tisement.

POLICE PROCEEDINGS—Wednesday, Sept. 4.—

John Davidson, drunk and disorderly. — \$100

fine. — W. Buntin, drunk, &c. — \$200 for

three months.

David Johnson, drunk and carrying a dead

weapon. Bail in \$200 for six months.

Henry Johnson alias Henry Allen, obtaining

passports under false pretenses. Bail in \$300 to

answer for felony.

PASSPORTS.—There is considerable inquiry as

to the manner of obtaining the same. The new

regulations, the fees charged, &c. Passports can

be obtained on application either to the State De

partment at Washington, or to the United States

District Agent at New York or Boston. The ap

plication must be accompanied by satisfactory

evidence that the applicant is a native born citi

zen, and that he is of the age of majority. The

fee is charged by the Government for a passport,

in any case, by whomsoever issued. Applicants

at a distance, however, to save themselves time

and trouble, may employ a Notary Public, who will

forward the necessary papers of citizenship, and

for this service the Notary of course makes a

charge; but his services are not essential.

ARRIVAL OF A PRIZE SHIP.—On Saturday

afternoon, the prize-master Stephen S. Russell, of

the United States ship-of-war Seneca, arrived at

this point, with a cargo of prize property. The

prize-master, who is a native born citizen, has

been captured, and is now in the hands of the
